b. An employee shall be paid an allowance under this clause and under clause 29.02 for a combined period of no more than the number of weeks during which she would have been eligible for pregnancy benefits pursuant to section 22 of the Employment Insurance Act had she not been disqualified from Employment Insurance pregnancy benefits for the reasons described in sub-subclause (a)(i).

\text{(allowance received)} \times \frac{\text{remaining period to be worked}}{\text{total period to be worked}} \times \text{as specified in (B)}
\]

however, an employee whose specified period of employment expired and who is rehired by the same department within a period of five (5) days or less is not indebted for the amount if his or her new period of employment is sufficient to meet the obligations specified in section (B).

b. For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee’s return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).

**

c. Parental allowance payments made in accordance with the SUB Plan will consist of the following:

i. where an employee is subject to a waiting period before receiving Employment Insurance parental benefits, ninety-three per cent (93%) of his/her weekly rate of pay for each week of the waiting period, less any other monies earned during this period;

ii. for each week in respect of which the employee receives parental, adoption or paternity benefits under the Employment Insurance or the Québec Parental Insurance Plan, he or she is eligible to receive the difference between ninety-three per cent (93%) of his or her weekly rate of pay and the parental,
adoption or paternity benefit, less any other monies earned during this period which may result in a decrease in Employment Insurance benefits to which he or she would have been eligible if no extra monies had been earned during this period;

iii. where an employee has received the full eighteen (18) weeks of maternity benefit and the full thirty-two (32) weeks of parental benefit under the Québec Parental Insurance Plan and thereafter remains on parental leave without pay, she is eligible to receive a further parental allowance for a period of two (2) weeks, ninety-three per cent (93%) of her weekly rate of pay for each week, less any other monies earned during this period;

and

iv. where an employee has received the full thirty-five (35) weeks of parental benefit under Employment Insurance and thereafter remains on parental leave without pay, he or she is eligible to receive a further parental allowance for a period of one (1) week, ninety-three per cent (93%) of his or her weekly rate of pay, less any other monies earned during this period, unless said employee has already received the one (1) week of allowance contained in 29.02c)(iii) for the same child.

**

d. At the employee’s request, the payment referred to in sub-subclause 30.02(c)(i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of EI parental benefits or Québec Parental Insurance Plan parental benefits.

**

e. The parental allowance to which an employee is entitled is limited to that provided in sub-clause (c) and an employee will not be reimbursed for any amount that he or she is required to repay pursuant to the Employment Insurance Act or the Parental Insurance Act in Québec.

f. The weekly rate of pay referred to in sub-clause (c) shall be:

i. for a full-time employee, the employee’s weekly rate of pay on the day immediately preceding the commencement of maternity or parental leave without pay;

ii. for an employee who has been employed on a part-time or on a combined full time and part-time basis during the six (6) month period preceding the commencement of maternity or parental leave without pay, the rate obtained by multiplying the weekly rate of pay in sub-subclause (i) by the fraction obtained by dividing the employee’s straight time earnings by the straight time earnings the employee would have earned working full time during such period.

g. The weekly rate of pay referred to in sub-clause (f) shall be the rate to which the employee is entitled for the substantive level to which she or he is appointed.
h. Notwithstanding sub-clause (g), and subject to sub-subclause (f)(ii), if on the day immediately preceding the commencement of parental leave without pay an employee is performing an acting assignment for at least four (4) months, the weekly rate shall be the rate the employee was being paid on that day.

i. Where an employee becomes eligible for a pay increment or upward pay revision while in receipt of parental allowance, the allowance shall be adjusted accordingly.

j. Parental allowance payments made under the SUB Plan will neither reduce nor increase an employee’s deferred remuneration or severance pay.

**

k. The maximum combined, shared maternity and parental allowances payable under this collective agreement shall not exceed fifty-two (52) weeks for each combined maternity and parental leave without pay.

30.03 Special parental allowance for totally disabled employees

a. An employee who:

i. fails to satisfy the eligibility requirement specified in sub-subclause 30.02(a)(ii) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Long-term Disability (LTD) Insurance portion of the Public Service Management Insurance Plan (PSMIP) or via the Government Employees Compensation Act prevents the employee from receiving Employment Insurance parental benefits, and

ii. has satisfied all of the other eligibility criteria specified in sub-clause 30.02(a), other than those specified in sections (A) and (B) of sub-subclause 30.02(a)(iii), shall be paid, in respect of each week of benefits under the parental allowance not received for the reason described in sub-subclause (i), the difference between ninety-three per cent (93%) of the employee’s rate of pay and the gross amount of his or her weekly disability benefit under the DI Plan, the LTD Plan or via the Government Employees Compensation Act.

b. An employee shall be paid an allowance under this clause and under clause 30.02 for a combined period of no more than the number of weeks during which the employee would have been eligible for parental benefits pursuant to section 23 of the Employment Insurance Act, had the employee not been disqualified from Employment Insurance parental benefits for the reasons described in sub-subclause (a)(i).

**33.04** It is recognized by the parties that the circumstances which call for leave in respect of bereavement are based on individual circumstances. On request, the Employer may, after considering the particular circumstances involved, grant leave with pay for a period greater than and/or in a manner different than that provided for in clauses 33.02 and 33.03.

**Article 34: court leave with pay**

Remuneration in these circumstances shall be limited to normal pay.

Article 36: education and career development leave

Upon written application by the employee and with the approval of the Employer, an employee may be granted education leave without pay for varying periods up to one (1) year, which can be renewed by mutual agreement, to attend a recognized institution for studies in some field of education in which preparation is needed to fill his or her present role more adequately or to undertake studies in some field in order to provide a service which the Employer requires or is planning to provide.

36.02 At the Employer’s discretion, an employee on education leave without pay under this article may receive an allowance in lieu of salary of up to one hundred per cent (100%) of his or her normal pay, depending on the degree to which the education leave is deemed by the Employer to be relevant to organizational requirements. Where the employee receives a grant, bursary or scholarship, the education leave allowance may be reduced. In such cases, the amount of the reduction shall not exceed the amount of the grant, bursary or scholarship.

36.03 Allowances already being received by the employee may at the discretion of the Employer be continued during the period of the education leave. The employee shall be notified when the leave is approved whether such allowances are to be continued in whole or in part.

36.04 As a condition of the granting of education leave without pay, an employee shall, if required, give a written undertaking prior to the commencement of the leave to return to the service of the Employer for a period of not less than the period of the leave granted.

   ii. a course offered by a recognized academic institution;
   iii. a seminar, convention or study session in a specialized field directly related to the employee’s work.

b. Upon written application by the employee, and with the approval of the Employer, career development leave with pay may be given for any one of the activities described in sub-clause 36.05(a) above. Article 17: overtime, and Article 24: travel, do not apply during time spent on career development leave provided for in this clause.

c. Employees on career development leave shall be reimbursed for all reasonable travel and other expenses incurred by them which the Employer may deem appropriate.

39.02 At the discretion of the Employer, leave with pay may be granted when circumstances not directly attributable to the employee prevent the employee’s reporting for duty. Such leave shall not be unreasonably withheld.

39.03 At its discretion, the Employer may grant leave without pay for purposes other than those specified in this agreement.
Part V: pay and duration

Article 40: pay administration

40.01 Except as provided in this article, the terms and conditions governing the application of pay to employees are not affected by this agreement.

40.03

a. When an employee is required by the Employer to perform the duties of a higher classification level for a period of at least four (4) consecutive working days, the employee shall be paid the pay of the higher level, calculated from the date on which the employee commenced to perform the duties of the higher level.

b. An employee who is required to perform the duties of a higher classification level will not be arbitrarily assigned and reassigned between his or her regular position and the acting position solely for the purpose of avoiding entitlement to acting pay in the higher level position.

40.04 The Employer will endeavour to pay compensation for acting duties in the month following the month in which the acting duties were performed.

40.05 Overpayment

Where an employee, through no fault of his or her own, has been overpaid, the appropriate pay office will, before recovery action is implemented, advise the employee of the intention to recover the overpayment. Where the amount of overpayment is in excess of fifty dollars ($50.00), and where the employee advises his or her local management that the stated recovery action will create a hardship, arrangements will be made by the Employer with the appropriate pay office to limit recovery action to not more than ten per cent (10%) of the employee’s pay each pay period until the entire amount is recovered.

40.06 The Employer will notify the Union in writing thirty (30) days in advance of the creation of any new jobs within the bargaining unit or the establishment of a new classification plan for jobs within the bargaining unit.
**Article 41: duration and modification**

41.01 Unless otherwise expressly stipulated, this agreement shall become effective on the date it is signed and, in the event that any law passed by Parliament renders null and void any provision of this agreement, the remaining provisions of the agreement shall remain in effect until June 30, 2018.

41.02 This agreement may be amended by mutual consent.

41.03 The provisions of this collective agreement shall be implemented by the parties within a period of one hundred and fifty (150) days from the date of signing.

**Appendix “C”: Memorandum of Agreement on Supporting Employee Wellness**

This Memorandum of Agreement is to give effect to the agreement reached between the Employer and the CATCA Unifor Local 5454 (hereinafter referred to as “the parties”) regarding issues of employee wellness.

The parties will explore the creation of an Employee Wellness Support Program (EWSP) which will focus on improving employee wellness and the reintegration of employees into the workplace after periods of leave due to illness or injury.

**Key features**

The EWSP if agreed upon will incorporate the following key features:

- contained in the collective agreement;
- benefits for up to 26 weeks (130 working days) with income support replacement at 100%;
- the annual allotment shall be 9 days of paid sick leave for illness or injury that falls outside of the parameters of the EWSP;
- 100% income replacement during the 3 working days’ qualification period when the employee’s claim is approved;
- qualifying chronic or episodic illnesses will be exempt of the qualifying period;
- the qualification period will be waived in cases of hospitalization or recurrence of a prior illness or injury approved under EWSP within 30 days;
- employees are entitled to carry over a maximum of 3 days of unused sick leave credits remaining at the end of the fiscal year, for use in the following fiscal year;
- the accumulation of current sick leave credits will cease once the EWSP is implemented. Employees with banked sick leave in excess of 26 weeks, will be entitled to carry over those excess days to provide extended coverage at 100% income replacement prior to accessing Long Term Disability (LTD);
- travel time for diagnosis and treatment;
- internal case management and return to work services focused on supporting employees when ill or injured;
- an employee on EWSP will be considered to be on leave with pay;
- full costs of administering the EWSP to be borne by employer; and
- increase the quantum of family related leave by one (1) day.

**Process**

The parties agree to create a Steering Committee and a Technical Committee, with a long-term focus and commitment from senior leadership of the parties.
The Steering Committee and Technical Committee will be established within 60 days of signing of this agreement. The committees will be comprised of an equal number of Employer representatives and Union representatives. The Steering Committee is responsible for determining the composition of the Technical Committee.

All time spent by employees in support of the Technical Committee shall be deemed to be leave with pay for union activities. The Employer will grant leave with pay for employees engaged in these activities, including preparation and travel time.

The Technical Committee will develop all agreements and documents needed to support the implementation of an EWSP during the next round of collective bargaining. This work shall be completed within one year of signing. The Technical Committee shall provide interim recommendations for review by the Steering Committee on the following matters through a series of regular meetings:

- consequential changes to existing leave provisions within the collective agreement and the LTD Plan;
- definitions;
- eligibility conditions for a new EWSP;
- assessment and adjudication processes;
- internal case management and return to work services;
- workplace accommodations;
- creation of a Centre for Workplace Well-being;
- governance of the EWSP, including dispute resolution mechanisms;
- coverage of operational stress injuries and other injuries sustained by employees deployed in military operations;
- harassment;
- domestic violence;

and

- other measures that would support an integrated approach to the management of health for federal public service employees.

The Technical Committee shall review practices from other Canadian jurisdictions and employers that might be instructive for the public service, recognizing that not all workplaces are the same. Federal public service health and safety committees will be consulted as required by the Steering Committee, as well as leading Canadian experts in the health and disability management field.

The Steering Committee is to approve a work plan for the Technical Committee and timelines for interim reports within 4 months of signing. The Technical Committee work plan may be amended from time to time by mutual consent of the Steering Committee members.
Dates may be extended by mutual agreement of the Steering Committee members. The Technical Committee terms of reference may be amended from time to time by mutual consent of the Steering Committee members.

The parties agree if an agreement is not reached within 18 months from the establishment of the Technical Committee, or at any time before that time, to jointly appoint a mediator within 30 days.

Integration into the collective agreement

1. If the parties reach an agreement on a tentative EWSP language and program design, that agreement will be provided to the membership for ratification and inclusion in the collective agreement.

2. Future amendments to the EWSP shall require the agreement of the CATCA Unifor Local 5454 and the Employer and will be negotiated between the parties.

Signed at Ottawa, this 25th day of September 2017.
